Objectives :

1. To enhance their skills related to stitching and develop understanding related to different women and men garments.

Due to poverty, these teenage girls drop out of high school to get married and work as temporary farm workers, sweepers and manual scavengers. They needed to learn newer vocational skills such as tailoring (sewing) which can help them earn more income and become economically self-sufficient and independent. This will alleviate poverty, help them support their family needs without being dependent of husband and parents.

Outcomes:
